Digital Recipe Box | Tech Exclusively LLC

Last Updated: September 14, 2026

1. Acceptance of Terms

These Terms of Use ("Terms") govern your use of the Digital Recipe Box mobile application (the "App"), provided by Tech Exclusively LLC ("Tech Exclusively," "we," "us," or "our"). By downloading, accessing, purchasing, subscribing to, or using the App, you agree to these Terms.

2. Digital Recipe Box Service

Digital Recipe Box is a personal recipe-management application that allows users to create, organize, store, retrieve, and use their own recipe-related content and available app features. The App is not a public recipe database.

3. Subscription Plans and Free Trial

Digital Recipe Box is offered as a subscription service. The current subscription options are \$3.99 per month or \$32.99 per year, subject to the pricing displayed in Apple's App Store at the time of purchase.

Where offered, eligible users may receive a **3-day free trial**. Unless canceled in accordance with Apple's subscription procedures before the trial ends, the selected subscription may automatically convert to a paid subscription under the terms shown by Apple.

4. Billing, Renewal, and Cancellation

Purchases and subscriptions are processed by Apple through the App Store. Billing, renewal, cancellation, refunds, payment methods, and related transaction matters are governed by Apple's applicable terms and App Store procedures.

You are responsible for managing or canceling your subscription through your Apple Account. Deleting the App does not necessarily cancel an active subscription.

5. Read-Only Recipe Box Mode

If your paid subscription expires or is canceled, the App may enter Read-Only Recipe Box mode. In Read-Only mode, you may continue to open and view existing recipes and retrieve or export your existing recipe content where supported.

While in Read-Only mode, you may not add new recipes, edit existing recipes, decorate or customize the Recipe Box, or use other active creation/customization functionality designated as requiring an active subscription.

6. Your Content

You retain ownership of recipes, notes, photos, and other content you lawfully provide to the App. You grant Tech Exclusively only the limited rights reasonably necessary to process, store, back up, synchronize, display, and otherwise handle that content to provide the App's requested functionality.

You are responsible for ensuring that content you add to the App does not violate another person's intellectual-property, privacy, publicity, or other legal rights. **Tech Exclusively LLC assumes no liability for any of these violations.**

7. Photos, Camera, and Scan Pantry Features

Certain features may request access to your device camera or photo library, including adding a recipe image or using Scan Pantry functionality. Permission is optional unless needed for the specific feature you choose to use, and device

permissions can be managed through Apple's settings.

8. Private Backup and Sync

Where available, backup and synchronization features are intended for use of your own recipe collection across supported devices or during device changes. These features do not create a public recipe-sharing database.

9. Acceptable Use

You may not misuse the App, attempt unauthorized access to systems or data, interfere with the App's operation, introduce malicious code, use the App in violation of applicable law, or reverse engineer or circumvent technical restrictions.

10. State

The App, including its software, interface, original graphics, branding, design elements, features, and other Tech Exclusively content, is owned by or licensed to Tech Exclusively LLC and is protected by applicable state laws. These Terms do not transfer ownership of the App or Tech Exclusively property to you.

11. Third-Party and Apple Services

The App may rely on Apple services or other third-party technologies. Your use of those services may also be governed by the applicable provider's terms and privacy policies. Tech Exclusively is not responsible for third-party services.

12. App Availability and Changes

We may update, improve, modify, suspend, or discontinue features when reasonably necessary for security, legal compliance, compatibility, maintenance, or product development. We do not guarantee that every feature will be available at all times or on every device.

13. Disclaimers

Digital Recipe Box is provided for personal recipe organization and convenience. Recipe content, cooking times, ingredient information, food-safety decisions, dietary information, and user-entered content should be independently evaluated by the user.

To the maximum extent permitted by law, the App is provided on an "as is" and "as available" basis without warranties not expressly required by applicable law.

14. Limitation of Liability

To the maximum extent permitted by applicable law, Tech Exclusively LLC will not be liable for indirect, incidental, special, consequential, exemplary, or punitive damages arising from use of or inability to use the App.

15. Termination

You may stop using the App at any time. We may restrict or terminate access where reasonably necessary because of material violations of these Terms, unlawful conduct, security risks, fraud, abuse, or legal requirements, subject to applicable law.

16. Changes to These Terms

We may update these Terms as the App, business practices, or legal requirements change. Updated Terms will reflect their effective date.

17. Governing Law

These Terms are governed by applicable law, subject to any mandatory consumer protections or jurisdictional rights that apply to you and cannot be waived by agreement.
